

**FEATURES AND SPECIFICATIONS**

**Features and Benefits**

- Shank/Cap System reduces electrode expenses in high volume and gun applications
- Use with male caps
- Made of CMW®3 material

**Use With**

- Male cap electrodes

**Mechanical**

- Electrical conductivity up to 80% IACS
- Rockwell Hardness up to 83 HRB

SHANKS

RWMA TAPER	DIMENSION	
	C	D
4	.3735	.482
5	.4135	.625
6	.4995	.750
